

International Volunteer Day

Dec. 5

Love contributing through the CFC, but wish you could do even more to give back? New this year is the opportunity to volunteer your time and talent for the causes you care about. Celebrate International Volunteer Day on Dec. 5 by pledging your time to a participating charity and sharing your volunteer experiences.

Working together, our volunteer hours make a significant difference for those in need. In 2016, about 63 million Americans gave 8 billion hours of volunteer service. *Show Some Love* and join the volunteer movement.

How to get involved:

- ✓ Pledge volunteer hours through the campaign to extend your impact and build on your gift.
- ✓ Encourage co-workers, friends, and family to join you in giving back to help others.
- ✓ Need ideas? Make sandwiches for a community shelter. Read to children attending after-school care in a low-resource neighborhood. Offer your specialized skills to a nonprofit organization like financial guidance, marketing strategy, or legal advice.

Choose your cause and *Show Some Love* today.
